

COOKIE POLICY

At Metabook XR, we believe in being clear and open about how we assemble and employ data related to you. In the spirit of transparency, this policy provides detailed information about how and when we use cookies. This cookie policy applies to any Metabook XR service that links to this policy or incorporates it by reference.

By continuing to use our website and services, you are agreeing to the use of cookies and similar technologies for the purposes we describe in this Privacy Policy. If you don't accept the use of cookies and similar technologies don't use this site.

DOES METABOOK XR USE COOKIES?

Yes. We use cookies and other technologies to ensure everyone who uses Metabook XR has the best possible experience. Cookies also help us keep your account safe. By continuing to visit or use our Website and services, you are agreeing to the use of cookies and similar technologies for the purposes we describe in this policy.

WHAT IS A COOKIE?

A cookie is a small file placed onto your device that enables Metabook XR features and functionality. For example, cookies enable us to identify your device, secure your access to Metabook XR and our sites generally, and even help us know if someone attempts to access your account from a different device. Cookies also enable you to easily share content on Metabook XR and help us serve relevant ads to you.

WHEN DOES METABOOK XR PLACE COOKIES?

We use cookies on our website and other applications. Any browser visiting these sites will receive cookies from us.

WHAT TYPES OF COOKIES DOES METABOOK XR USE?

We use two types: persistent cookies and session cookies. A persistent cookie helps us recognize you as an existing user, so it's easier to return to Metabook XR or interact with our services without signing in again. After you sign in, a persistent cookie stays in your browser and will be read by Metabook XR when

you return to one of our sites or a partner site that uses our services (for example, our sharing or contents or products). Session cookies only last for as long as the session (usually the current visit to a website or a browser session).

WHAT ARE COOKIES USED FOR?

Cookies can be used to recognize you when you visit Metabook XR, remember your preferences, and give you a personalized experience that's in line with your settings. Cookies also make your interactions with Metabook XR faster and more secure. Additionally, cookies allow us to bring you advertising both on and off the Metabook XR site, and bring customized features to you.

Categories of Use	Description
Authentication	If you're signed in to Metabook XR, cookies help us show you the right information and personalize your experience.
Security	We use cookies to enable and support our security features, and to help us detect malicious activity and violations of our User Agreement.
Preferences, features and services	Cookies can tell us which language you prefer and what your communications preferences are. They can help you fill out forms on Metabook XR more easily. They also provide you with features, insights, and customized content in conjunction with our plugins. You can learn more about plugins in our Privacy Policy.
Advertising	We may use cookies to show you relevant advertising both on and off the Metabook XR site. We may also use a cookie to learn whether someone who saw an ad later visited and took an action (e.g. downloaded a white paper or made a purchase) on the advertiser's site. Similarly, our partners may use a cookie to determine whether we've shown an ad and how it

	<p>performed, or provide us with information about how you interact with ads. We may also work with a partner to show you an ad on or off Metabook XR, such as after you've visited a partner's site or application.</p>
<p>Performance, Analytics and Research</p>	<p>Cookies help us learn how well our site and plugins carry out in different locations. We also use cookies to understand, improve, and research features, and services, including when you access Metabook XR from other websites, applications, or devices such as your work computer or your mobile device.</p>

HOW ARE COOKIES USED FOR ADVERTISING PURPOSES?

Cookies and other ad technology such as help us serve relevant ads to you more effectively. They also help us provide aggregated auditing, research, and reporting for advertisers, understand and improve our service, and know when content has been shown to you.

Note: Because your web browser may request advertisements and beacons directly from third party ad network servers, these networks can view, edit, or set third party cookies, just as if you had requested a web page from their site. Ads served by Metabook XR may also set third party cookies.

If you are logged in on our website or another Service that references this Cookie Policy or browsing a third party partner site of Metabook XR and one of our cookies on your device identifies you, your usage (such as your browsing behavior) and log data (such as your IP address), will be associated by us with your account. We also use aggregate data from third parties and data from your profile and Metabook XR activity.

If you are a Metabook XR member but logged out of your account on a browser, Metabook XR may still continue to log your interaction with our services on that browser for up to 30 days in order to generate usage analytics for our services, which analytics we may share in aggregate form with our advertising customers.

Unless you clear these cookies from your browser, we may use this information to:

- **provide more relevant, interest-based advertising**
- **provide aggregate reports of ads activity to advertisers and websites hosting the ads**
- **help website and app owners understand how visitors engage with their sites or apps**
- **detect and defend against fraud and other risks to protect users and partners**
- **improve our services**

CONTROLLING COOKIES:

Most browsers allow you to control cookies through their settings preferences. However, if you limit the ability of websites to set cookies, you may worsen your overall user experience, since it will no longer be personalized to you. It may also stop you from saving customized settings like login information.

WHAT TO DO IF YOU DON'T WANT COOKIES TO BE SET OR WANT THEM TO BE REMOVED?

If you are a Visitor, you can opt-out of our advertising cookies here. For Members, our ad settings are here. If you do not want to receive cookies, you can also change your browser settings on your computer or other device you're using to access our services. If you use Metabook XR without changing your browser settings, we'll assume that you're happy to receive all cookies on the Metabook XR website. Most browsers also provide functionality that lets you review and erase cookies, including Metabook XR cookies. Please note that the Metabook XR site will not work properly without cookies.
